In Lovebirds, love isn't optional, it's a gamble against heartbreak. Simple to learn, brutal to play, and over in 30 minutes, just enough time to fall in love, get your heart broken, and do it all again.

PICK A NUMBER

Everyone secretly chooses a card from their hand. High or low, it's your call, **but so is everyone else's.**

REVEAL & COLLECT

Highest card gets the **females**. Lowest card gets the **males**. Whoever plays the extremes takes home the birds.

MATCH OR MOURN

Got a **male** and a **female**? Congratulations, it's love 💕 and they fly away together.

Still holding lonely birds when the round ends? Those are broken hearts 💔.

Fewest Broken Hearts after 5 rounds wins.

The birds will forgive you... eventually.
