Shokudo: The Forest Kitchen is a cozy cooking game set in an enchanted forest, where players become Cooking Spirits gathering rare ingredients and preparing Japanese-inspired dishes for magical guests.

1 Gather!

COLLECT RARE INGREDIENTS FROM THE TWILIGHT MARKET BEFORE SOMEONE ELSE CLAIMS THEM FIRST.

2 Choose!

EVERY GUEST WHO Wanders in wants something different. Pick who you'll serve this round... and who you'll have to turn away.

3 Cook!

MATCH THE RIGHT INGREDIENTS TO THE RIGHT RECIPE, SERVE WITH CARE, AND WATCH YOUR CULINARY PRESTIGE GROW. ONE SATISFIED SPIRIT AT A TIME.

The Cooking Spirit with the highest total Culinary Prestige wins, earning their place as the most prestigious chef in the forest.
